Scholar [All articles](#) - [Recent articles](#) Results 1 - 10 of about 9,490 for **thread execution time bounded time**

[PDF] [► Real-time Mach: Towards a predictable real-time system](#)

H Tokuda, T Nakajima, P Rao - Proceedings of USENIX Mach Workshop, 1990 - citeseerx.ist.psu.edu

... **bounded** delay ... various RISC chips, it becomes an interesting practical problem in determining the worst case **execution time** for sections ... (7) Th i : **Thread** i li ...

Cited by 343 - [Related articles](#) - [View as HTML](#) - [Web Search](#) - [All 9 versions](#)

[HRT-HOOD: A structured design method for hard real-time systems- ►144.32.40.18](#) [PDF]

A Burns, AJ Wellings - Real-Time Systems, 1994 - Springer

... However, these **threads** (once staged) execute irrespective of whether there are ... any of their objects' operations at any **time** during their **execution**. ...

Cited by 142 - [Related articles](#) - [Web Search](#) - [Library Search](#) - [BL Direct](#) - [All 13 versions](#)

[CPU reservations and time constraints: Efficient, predictable scheduling of independent activities-](#)

[►microsoft.com](#)

MB Jones, D Roşu, MC Roşu - ACM SIGOPS Operating Systems Review, 1997 - portal.acm.org

... of each **time** constraint when a **thread** submits it ... that at least the estimated amount of **time** has been reserved for the constraint's **execution** between the ...

Cited by 329 - [Related articles](#) - [Web Search](#) - [BL Direct](#) - [All 33 versions](#)

[BOOK] [Real-time UML- ►sigs.de](#) [PDF]

BP Douglass - 1998 - Springer

... important to characterize the rendezvous patterns of cross- **thread** messaging in ... in memory for some specific period of **time** during the **execution** of the ...

Cited by 168 - [Related articles](#) - [Web Search](#) - [BL Direct](#) - [All 5 versions](#)

[... automated implementation of executable objectoriented models for real-time embedded control systems- ►kfupm.edu.sa](#) [PDF]

M Saksena, P Freedman, P Rodziewicz - Real-Time Systems Symposium, 1997. Proceedings., The 18th ..., 1997 - ieeexplore.ieee.org

... tors to the underlying operating system's **execution** abstractions ... priorities and the scheduling of **threads** by the ... Cruise Control: An Example Real-Time System ...

Cited by 56 - [Related articles](#) - [Web Search](#) - [All 16 versions](#)

[Object-oriented real-time language design: Constructs for timing constraints](#)

Y Ishikawa, H Tokuda - Proceedings of the European conference on object-oriented ..., 1990 - portal.acm.org

... period, and the dead- line **time** of the **execution** respectively ... Those are instances of c1a.w **Time**. ... critical region we need a mechanism that a **thread** entering a ...

Cited by 144 - [Related articles](#) - [Web Search](#) - [Library Search](#) - [All 3 versions](#)

[Evaluating Real-Time Java features and performance for real-time embedded systems- ►psu.edu](#)

[PDF]

A Corsaro, DC Schmidt - Eighth IEEE Real-Time and Embedded Technology and ..., 2002 - ieeexplore.ieee.org

... anteed that there will be a separate **thread** for each ... that after an event is fired the **execution** of all its ... class, which has a real-time **thread** associated with ...

Cited by 53 - [Related articles](#) - [Web Search](#) - [All 23 versions](#)

[MiThOS-a real-time micro-kernel threads operating system- ►psu.edu](#) [PDF]

F Mueller, V Rustagi, TP Baker - 16th IEEE Real-Time Systems Symposium, 1995. Proceedings., 1995 - [ieeexplore.ieee.org](#)
... traded for the completion of a **thread's execution** ... analysis and can be set during program **execution**. ... Future Work The predictability of **time-out** handling could ...
[Cited by 21](#) - [Related articles](#) - [Web Search](#) - [All 11 versions](#)

Evaluation of real-time synchronization in real-time mach- ► [kfupm.edu.sa](#) [PDF]
H Tokuda, T Nakajima - Second Mach Symposium, 1991 - [usenix.org](#)
... The dura- tion of the priority inversion is **bounded** by the size of the ... Benchmark- 1 in Table 3. C,- represents the worst case **execution time** of **thread** Thi. ...
[Cited by 45](#) - [Related articles](#) - [Web Search](#) - [All 9 versions](#)

Taskpair-scheduling: An approach for dynamic real-time systems
H Streich - ... and Distributed Real-Time Systems, 1994. Proceedings of the ..., 1994 - [ieeexplore.ieee.org](#)
... MainTasks may also be subject for guaranteed **execution**. ... we do not consider **time** for run-time system activities like guaranteeing tasks, switching of **threads** etc ...
[Cited by 50](#) - [Related articles](#) - [Web Search](#) - [BL Direct](#) - [All 2 versions](#)
